National Association of State  
Controlled Substances Authorities

## OUR MISSION

NASCSA's mission is to support, equip, and advocate for state controlled substances authorities, prescription monitoring program administrators, and other members in their work to advance the public's health, safety, and welfare.

## ABOUT NASCSA

NASCSA is a 501 (C)(3) non-profit educational organization established in 1985 under the provisions of §501(c)(3) of the Internal Revenue Code. Federal Tax ID# 57-0996525.

The purpose of NASCSA is to provide a forum for the discussion and exchange of information and ideas, to develop, implement, and monitor ongoing strategies and to curtail the abuse, misuse, and diversion of controlled substances. Further, to advocate for continued enhancement, funding and utilization of programs to limit the inappropriate use and diversion of controlled substances.

NASCSA provides the expertise and a unified voice of its membership in collaborating and educating: 1) local, state, and federal law enforcement, regulatory authorities, and public policy makers; 2) authorized prescribers, dispensers, and distributors, and 3) the community at large for the sole purpose of improving the public health in the appropriate use of controlled substances.

NASCSA members support and endorse laws, rules, and regulations to ensure controlled substances are accessible to those persons who have a legitimate medical need.

NASCSA has worked cooperatively with numerous federal and state agencies and organizations, as well as state professional licensing boards, industry representatives, and professional associations.

## OPPORTUNITIES/OUTREACH

In addition to webinars, podcasts, and other forums, NASCSA hosts an annual conference to further the exchange of ideas, information, and views on legal and regulatory issues relating to controlled substances.

Provides educational opportunities for individuals responsible for legislation, regulation, and enforcement of controlled substance laws and regulations.

## NASCSA GOALS

- Promote communication and cooperation among the diverse federal, state, and local agencies responsible for regulating and enforcing controlled substance laws;
- Serve as a liaison between states and federal controlled substances authorities, industry, and other interested parties;
- Seek representation of all U.S. states, commonwealths, districts, territories in NASCSA;
- Establish NASCSA as a clearinghouse for state-controlled substances issues;
- Promote uniformity of controlled substances laws and prescription drug monitoring programs;
- Hold an annual conference, as well as other forums, to provide an educational opportunity for discussion and communication among government agencies, industry, and other stakeholders on controlled substances issues.
