

National Association of State
Controlled Substances Authorities

NASCSA Resolution 2021-02
October 2021

A Resolution Updating the Model Prescription Monitoring Program Act

WHEREAS, a task force was formed to consider updates to the Model Prescription Monitoring Program (PMP) Act in 2020, comprised of PMP administrators and stakeholders; and

WHEREAS, the PMP Model Act Task Force has presented its recommended changes to both the PMP Committee and the Executive Committee of the National Association of State Controlled Substances Authorities (NASCSA); and

WHEREAS, both the NASCSA PMP and Executive Committees have voted to endorse the recommended updates to take into consideration programmatic and operational issues affecting PMPs that were unaddressed in previous versions of the Model PMP Act;

THEREFORE BE IT RESOLVED, that NASCSA's membership approve the updated Model PMP Act; and

BE IT FURTHER RESOLVED, that the updated Model PMP Act 2021 (rev.) be disseminated to the membership.
