

Commonly Abused and Diverted, Controlled & Non-Controlled Substances Guide. **Most commonly abused drugs are highlighted in red.**

NASCSA members requesting more copies of this abused substance brochure can contact NASCSA at:

www.nascsa.org

For professionals in health care and pharmacy, please contact Scripps Safe at: info@4SafeRx.com

NOTE: The pictures in this brochure are actual size (except where noted). Every effort has been made to reproduce these pictures accurately. *Variations in color may exist because of photographic processing and printing processes.* The list of drugs in this brochure is not comprehensive and does not represent every drug known in a particular drug category. **POSITIVE IDENTIFICATION OF ANY DRUG REQUIRES ANALYSIS BY AN AUTHORIZED LABORATORY.** The scheduling status of the drugs is pursuant to the federal Controlled Substances Act and may vary in other jurisdictions. The National Association of State Controlled Substance Authorities or NASCSA, is an association of state government agencies along with various stakeholders who oversee controlled substances. Through this association, we work together to make our country and our world a safer place. You can learn more about NASCSA, its committees and educational opportunities by visiting our website. If you would like to join NASCSA or become a sponsor, please visit our website at www.nascsa.org.
