National Association of State  
Controlled Substances Authorities

## OUR MISSION

NASCSA's mission is to support, equip, and advocate for state controlled substances authorities, prescription monitoring program administrators, and other members in their work to advance the public's health, safety and welfare.

## THE NASCSA PURPOSE

NASCSA is a 501 (C)(3) non-profit educational organization established in 1985 under the provisions of §501(c)(3) of the Internal Revenue Code. Federal Tax ID# 57-0996525.

The purpose of NASCSA is to provide a forum for the discussion and exchange of information and ideas, to develop, implement and monitor ongoing strategies and to curtail the abuse, misuse and diversion of controlled substances. Further, to advocate for continued enhancement, funding and utilization of programs to limit the inappropriate use and diversion of controlled substances.

Furthermore, to provide the expertise and a unified voice of its membership in collaborating and educating: 1) local, state and federal law enforcement, regulatory authorities, public policy makers; 2) authorized prescribers, dispensers and distributors, and 3) the community at large for the sole purpose of improving the public health in the appropriate use of controlled substances.

NASCSA members support and endorse laws, rules, and regulations to ensure that controlled substances are accessible to those persons who have a legitimate medical need.

NASCSA has worked cooperatively with a numerous federal and state agencies and organizations, as well as, state professional licensing boards, industry representatives, and professional associations.

### PERIODIC PODCASTS

## NASCSA PROVIDES

An annual conference, as well as other forums, for the exchange of ideas, information, and views on legal and regulatory issues relating to controlled substances.

Educational opportunities and information to persons responsible for legislation, regulation and enforcement of controlled substances laws and regulations through various methods, such as publication, resolutions, model acts, and surveys.

## NASCSA GOALS

**#1** Promote communications and cooperation among the diverse federal, state and local agencies, responsible for regulating and enforcing controlled substance laws

**#2** Serve as a liaison between states and federal controlled substances authorities, the pharmaceutical industry, and other interested parties

**#3** Seek representation of all U.S. states, commonwealths, districts and territories in NASCSA

**#4** Establish NASCSA as a clearinghouse for all state controlled substances issues

**#5** Promote uniformity of controlled substances laws and prescription drug monitoring programs among the states

**#6** Hold an annual conference, as well as other forums, to provide an educational forum for discussion and communication among government agencies, the pharmaceutical industry and other interested parties on controlled substances issues
