## Travel Scholarships are Now Available Online

Travel scholarship applications and instructions to attend this year's 38th annual conference that will take place October 24-27, 2022 in Salt Lake City, Utah are now available online.

We strongly encourage regular members to consider applying. Up to 6 travel scholarships will be awarded. The deadline for applications is **June 24, 2022**.

More information is found [here](#).

## Annual Membership Dues

Annual membership dues will be mailed late next month. We strongly encourage members to pay your dues on time. Dues run from July 1-June 30th each year.

Electronic invoices to pay securely with a credit card are available. For more information email the office at: [kathykeough@nascsa.org](mailto:kathykeough@nascsa.org).

## President's Message

It seems like our annual conference in San Antonio was just last week. Yet here we are one quarter of the way through 2022. The pandemic appears to be waning. Like all of you, I am looking forward to putting that in the rear-view mirror.

The drug crisis did not take a break during the last couple of years and neither did we. The executive committee wrapped up our annual mid-year meeting at the first week of March. This was the first in person meeting the board has had in two years. But truthfully it feels like much longer.

Kathy did an amazing job bringing us together and was well organized as always. Joe kept us on track to make sure we got through a very robust agenda. This was the first mid-year meeting for some of the board and I think they were surprised at how much work we were able to accomplish in such a short period of time. I am very excited for the 2022 conference in Salt Lake City. The program committee has been working diligently with Kathy as she puts the agenda together. Having an inside view, I can tell you it is chalk full of exciting topics.

The committees have all been meeting and doing a nice job. We had our first webinar of the year and are in the process of scheduling more. Our latest podcast was published, and we are working on additional shows as well. You can find those by visiting our website or locating the show on any podcast site. If you follow us there, you will receive the new shows as they are put out.

I want to thank our sponsors. We cannot do this without your support. On behalf of the association and the executive board, my heartfelt thanks for all that you do. I always want to thank and welcome our newest sponsor **Viatris** and **Morris & Dickson Co., LLC**. We are delighted to have you as part of the NASCSA family and are excited to work with you on several committees.

Look for more from NASCSA this summer. We will be putting out more information, newsletters, webinars, and podcasts. Don't forget to follow NASCSA on Twitter for updated information as well. Thank you for all you do, members, sponsors, and friends.

*Alan McGill*

## A Special Thanks to our Sponsors

NASCSA wishes to extend a very special thanks to our sponsors who help support NASCSA during the conference and throughout the year.

A list of sponsors including our latest sponsor [Viatrix](#) and [Morris & Dickson Co., LLC](#) can be viewed [here](#).

## Social Media Update

Did you know that NASCSA is now on most social media platforms?

Linkedin - follow [here](#)

Youtube - follow [here](#) (we will be posting some (but not all) webinars that will be available for viewing.

Twitter [@NASCSA](#)

Please follow us and share this information widely.

In addition, NASCSA offers several podcasts of significant interest to our members available on most podcast platform.

## 2022 Annual Conference Update

Plans are well underway for our 38th annual conference that will take place October 24-27, 2022 in Salt Lake City, Utah.

The program committee has been hard at work over the past several months in developing this year's conference agenda. Among the confirmed topics/speakers include representatives from the **US Drug Enforcement Administration** and **Centers for Disease Control and Prevention**. In addition, topics to be included in the agenda are numerous topics related to **Prescription Monitoring Programs**, **virtual manufacturing**, as well as numerous interactive workshops. We will also be having an exciting keynote speaker so stay tuned!

We hope to post the agenda in the next month or so, but in the meantime all information is available [here](#).

We expect a great attendance this year and look forward to seeing you all in person this fall.
