1. Which PMP state or jurisdiction are you responding on behalf of?

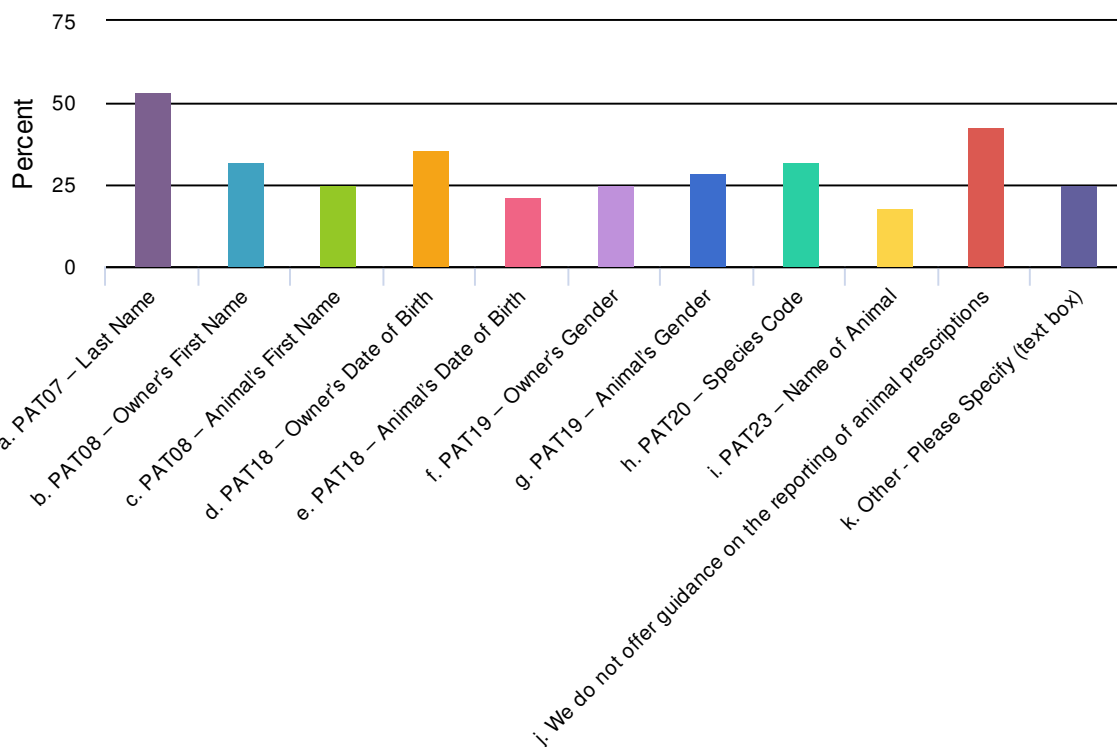

Value	Percent	Responses
Alabama	3.7%	1
Alaska	3.7%	1
Arkansas	3.7%	1
Colorado	3.7%	1
Connecticut	3.7%	1
Delaware	3.7%	1
Guam	3.7%	1
Hawaii	11.1%	3
Idaho	3.7%	1
Kentucky	3.7%	1
Maryland	3.7%	1
Michigan	3.7%	1

Totals: 27

Value		Percent	Responses
Missouri		3.7%	1
Nebraska		3.7%	1
Nevada		3.7%	1
New Jersey		3.7%	1
North Dakota		7.4%	2
Oklahoma		3.7%	1
Oregon		3.7%	1
Pennsylvania		3.7%	1
Puerto Rico		3.7%	1
Rhode Island		3.7%	1
Texas		3.7%	1
Vermont		3.7%	1

Totals: 27

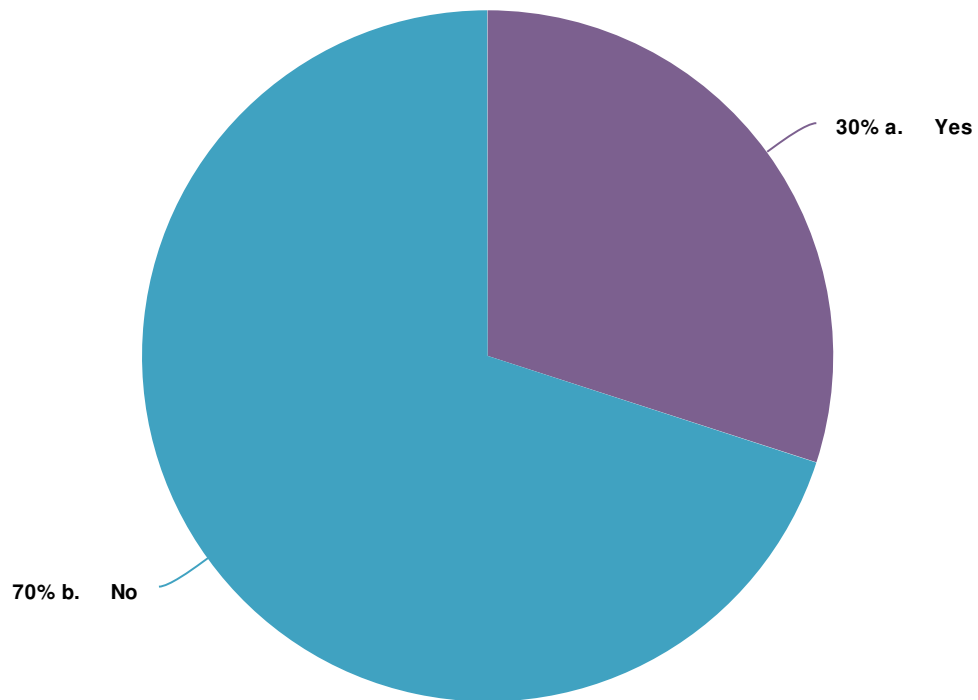

2. Veterinary - Related Questions2. When prescriptions for animals are dispensed and reported by a retail pharmacy, which ASAP fields are required to be reported to your PMP? Select all that apply.

Value	Percent	Responses
a. PAT07 – Last Name	53.6%	15
b. PAT08 – Owner’s First Name	32.1%	9
c. PAT08 – Animal’s First Name	25.0%	7
d. PAT18 – Owner’s Date of Birth	35.7%	10
e. PAT18 – Animal’s Date of Birth	21.4%	6
f. PAT19 – Owner’s Gender	25.0%	7
g. PAT19 – Animal’s Gender	28.6%	8
h. PAT20 – Species Code	32.1%	9
i. PAT23 – Name of Animal	17.9%	5
j. We do not offer guidance on the reporting of animal prescriptions	42.9%	12
k. Other - Please Specify (text box)	25.0%	7

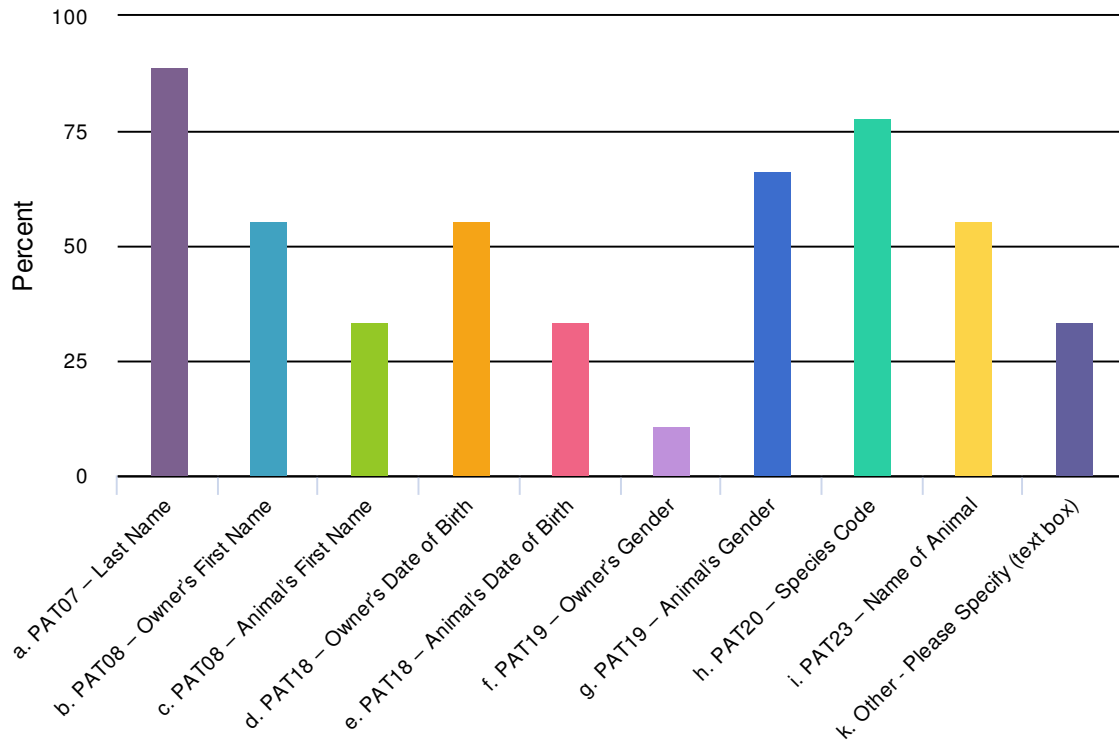

k. Other - Please Specify (text box)	Count
Oregon does not collect animal rx	1
PAT20 and PAT23 are Situational, not Required	1
Reporting of animal prescriptions is not required	1
The Alaska Board of Veterinary Examiners has not yet established further guidelines for how to report.	1
Vets are not required to submit data, only pharmacies that dispense animal medications. However we will take data should it be submitted by a vet and are in the process to provide guidance that requires Pat07, 08 Owner, 018, 20, and 23. There is a process which is under discussion.	1

5. Veterinary-Related Questions 5. Are the ASAP reporting specifications for animal prescriptions the same whether the data is submitted by a retail pharmacy or a dispensing veterinarian?

Value	Percent	Responses
a. Yes	32.1%	9
b. No	7.1%	2
c. n/a	60.7%	17

Totals: 28

6. 6. When a prescription is dispensed to an animal, is the dispensation associated with the owner’s PMP report in anyway? Please select the most appropriate response.

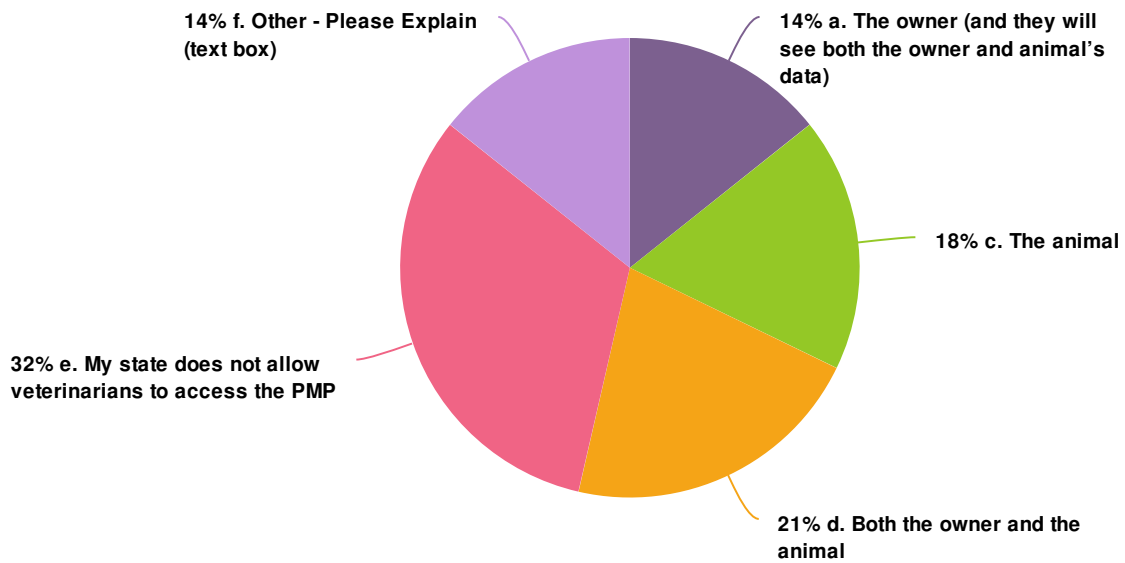

Value		Percent	Responses
a. Yes - If owner's name is queried, the animal Rx will appear		46.4%	13
b. No - If the owner's name is queried, the animal Rx will not appear		21.4%	6
c. Other - Please Explain (text box)		32.1%	9

Totals: 28

c. Other - Please Explain (text box)	Count
It depends whether the MPI links the records together or not.	1
N/A	1
Not required to report	1
Only if the pharmacy has reported the prescription with owner's information.	1
Oregon does not collect animal Rx in the PMP	1
There's no identifier linking the animal's owner to the animal.	1
We are in process of standardizing reporting and search.	1
it would depend on how the information was reported	1
n/a	1
Totals	9

7.7. If your state allows veterinarians to query the PMP, who are they allowed to search?

Value	Percent	Responses
a. The owner (and they will see both the owner and animal's data)	14.3%	4
c. The animal	17.9%	5
d. Both the owner and the animal	21.4%	6
e. My state does not allow veterinarians to access the PMP	32.1%	9
f. Other - Please Explain (text box)	14.3%	4

Totals: 28

f. Other - Please Explain (text box)**Count**

Can query the owner if they suspect drug abuse or animal mistreatment, otherwise can only query animal

1

N/A

1

Veterinarians do not have direct access and requests are processed by paper requests. These are handled on an individual basis and are reviewed by the Executive Director's and provided at their discretion depending on the findings of the report. We've had 2 or 3 requests in 12 years.

1

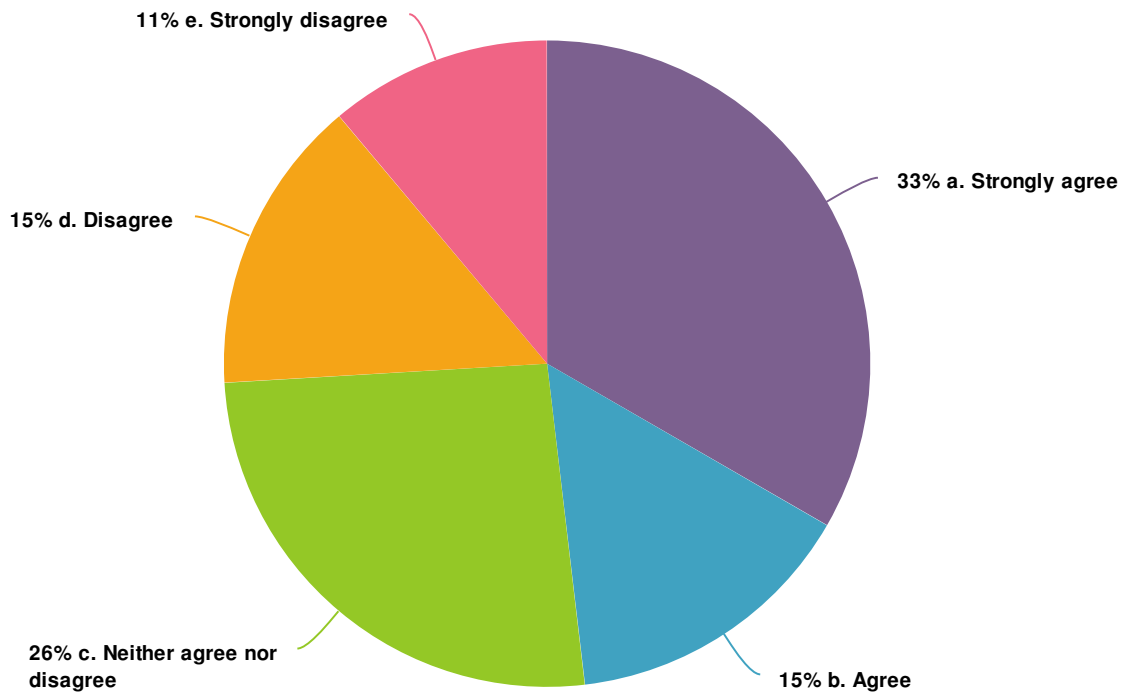

they are not required to use

ResponseID	Response
3	Case number must be provided
4	Case number must be provided
7	Case number, type, and descriptionf. Must be notarized if submitted using a form. Deceased patients require a subpoena.
8	We would only allow online access to out of state Federal law enforcement.
9	Case or file number
15	Law Enforcement or a Regulatory Agency is required to submit a formal request on letterhead, summarizing the existing investigation, the need and scope of information requested. Federal, State, or County Law enforcement officers, investigative agents of federal, state, or county law enforcement or regulatory agencies, United States attorneys, county prosecuting attorneys, or the attorney general; provided that the Controlled Substance Administrator has reasonable grounds to believe that the disclosure of any information collected under this part is in furtherance of an ongoing criminal or regulatory investigation or prosecution
16	Law Enforcement or a Regulatory Agency is required to submit a formal request on letterhead, summarizing the existing investigation, the need and scope of information requested. Federal, State, or County Law enforcement officers, investigative agents of federal, state, or county law enforcement or regulatory agencies, United States attorneys, county prosecuting attorneys, or the attorney general; provided that the Controlled Substance Administrator has reasonable grounds to believe that the disclosure of any information collected under this part is in furtherance of an ongoing criminal or regulatory investigation or prosecution;
21	for non-DEA out-of-state law enforcement, we generally receive warrants and each law enforcement request is reviewed by Legal Affairs before responding
23	In addition to a subpoena, a certification of the request must also be submitted.
25	Require subpoena issued pursuant to court order for all law enforcement requests
26	they are required to make the request through the appropriate agency in our state then it is sent to the PMP. ie. licensure boards, bureua of narcotics - required to have open investigation and case nubmer
29	Information can be released to law enforcement with a valid subpoena, warrant, or court order

12. Out of State Regulatory Officials 11. Does your Prescription Monitoring Program allow requests for patient reports, prescriber reports, or dispenser reports from out of state regulatory officials (Boards of Pharmacy, Medical Board, Nursing Board)

Value		Percent	Responses
a. Yes		46.4%	13
b. No		53.6%	15
			Totals: 28

13. Out of State Regulatory Officials12. Does your PMP...

	Yes	No	N/A	Responses
a. Release patient reports to out of state regulatory officials? Count Row %	7 63.6%	1 9.1%	3 27.3%	11
b. Release prescriber reports to out of state regulatory officials? Count Row %	9 81.8%	0 0.0%	2 18.2%	11
c. Release dispenser reports to out of state regulatory officials? Count Row %	8 72.7%	0 0.0%	3 27.3%	11
d. Release audit trail information to out of state regulatory officials (Audit trail information is a record of patient searches performed by an account holder in the PMP)? Count Row %	6 54.5%	2 18.2%	3 27.3%	11

17. If you answered Yes to question (m) please include your explanation in the following text box:

ResponseID	Response
-------------------	-----------------

2	Proof of identity of the requestor
---	------------------------------------

8	For law enforcement or regulatory official, there must be an open investigation.
---	--

19	patients may request an account of who has queried them in the PDMP. They do not request a provider's full audit trail
----	--

23	A certification of the request must accompany all requests
----	--

25	Patients can request the request history of who has searched them in the PDMP but cannot request an audit trail for a specific provider.
----	--

30	Must complete form that is notarized
----	--------------------------------------

31	A person can request an audit trail on searches performed by account holders but only searches on that person.
----	--
